Just a quick reminder that the meeting for May is this coming Wednesday evening, **May 11, 2016** at 6:45PM. **Please note:** Meetings will be on the second Wednesday of the month for most of 2016.

This month, we'll take a look at personalizing Apple Mail. We'll look at creating rules and how to organize your incoming email to help you prioritize incoming messages. We'll also take a look at creating custom signatures, connect them to specific accounts and creating html signatures.

See our [website](#) for further details and be sure to check out our new [blog](#).

NEW PRODUCT 1.0

BRAND NEW PRODUCT

The new 1.2 release of the product is faster, yet slower, simpler, but more complicated, and generally much better than all versions of the product that came before it.

TEST NEWS

New product better than ever!

CEO: "We now take data loss seriously."

Software now available on a 'try before you buy' scheme.
